

We are proposing a change in your area

Kia ora,

This leaflet is to let you know about a change we are proposing to make in your neighbourhood.

Proposal:

Reference	TR57-21 Hanson Street carpark, Newtown - Proposed time restricted parking and confirmation of mobility parking space
What we'd like to do	<ul style="list-style-type: none">• Designate 34 P180 maximum parking spaces in the Hanson Street carpark.• Confirm one mobility park, At All Times, P180 in the Hanson Street carpark.
Why we are proposing the change	<ul style="list-style-type: none">• We are aiming to implement P180 time restricted parking within the Hanson Street carpark. This is to ensure a higher turnover of vehicles, giving greater accessibility to amenities. This proposal will allow parking for legitimate facility users rather than all day commuter parking.• We are proposing to resolute the existing mobility parking space to ensure this can be enforced by our parking services team by increasing the safety and accessibility of mobility park users.
Location – where we propose to make the change	Hanson Street carpark adjacent to the intersection with Hall Street and Stoke Street, Newtown
Impact	<ul style="list-style-type: none">• Improves accessibility for people wishing to use the surrounding halls, play area and sports fields.• Net parking impact – designation of 34 unrestricted parking spaces to time restricted parking spaces and designation of one unrestricted mobility park to a time restricted mobility park.• Pedestrian impact – no change.
How this relates to the parking policy	<ul style="list-style-type: none">• Supports short term parking over long term commuter parking spaces.• Supports access for all – ensures mobility impaired people, older people, people who are pregnant, and people with babies can access the city, Council facilities, and venues. This will be achieved, in part, through an improvement in mobility parking across the city.
Additional Information	<ul style="list-style-type: none">• To view the legal description for this Traffic Resolution, an electronic copy of the report will be available on the Council's website from 9.00am Thursday 1 April 2021 at www.wellington.govt.nz/haveyoursay or you can call (04) 499 4444 and we will send one out to you.
Feedback	<ul style="list-style-type: none">• If you would like to provide us with specific feedback, you can do so by filling out an online submission form, downloading a printable submission form on www.wellington.govt.nz/haveyoursay or emailing us at trfeedback@wcc.govt.nz . Please note if you are giving feedback the consultation period opens 9.00am Thursday 1 April 2021 and finishes 5.00pm Friday 16 April 2021.

We are proposing a change in your area

	<ul style="list-style-type: none">• What we do with your personal information: All submissions (including name, but not contact details) are provided in their entirety to elected members and made available to the public at our office and on our website. Personal information (including contact details) will also be used for the administration of the consultation process including informing you of the outcome of the consultation. All information collected will be held by Wellington City Council, 113 The Terrace, Wellington, with submitters having the right to access and correct personal information.
Next Steps	<ol style="list-style-type: none">1. Feedback collated by Monday 19 April 2021.2. The proposal will go to the Regulatory Processes Committee on Tuesday 18 May 2021.3. If approved, the proposal will be installed within the following 3 months.
